## Experience

### Frontend Developer @ Revital

Jan 2024 - Aug 2025

Promoted from Junior to Frontend Developer within 12 months. Part of a 5-person cross-functional team building a heart monitoring application that aggregated data from smartphones and smart wearables.

- Developed frontend features for a digital health platform processing real-time data from smart devices
- Built a client-facing PR platform to manage partner relationships, client portfolios, and event coordination
- Coordinated with outsourced development teams to align on implementation and delivery
- Delivered WordPress-based projects for external clients alongside core product work
- Implemented responsive, production-ready interfaces from Figma designs

### Product Manager @ Convergent 365

Sep 2019 - Aug 2023

Led product development of a financial management SaaS tool for Romanian small business owners (SOHO segment).

- Acted as the bridge between business stakeholders and the development team, translating requirements into actionable specs

### Expert Solution Sales Consultant — Orange Romania

Oct 2015 - Sep 2019

- Managed B2B and B2C technology solution sales across a portfolio of enterprise and SMB clients
- Promoted from Customer Care Representative within 11 months

## Freelance Development Projects

### 2022 - Wirbox

Led the frontend redesign of a large agency website with custom WordPress themes; optimized page performance and refactored for maintainability. [www.nord-vest.ro](http://www.nord-vest.ro)

### 2023 - Ascendo

Designed and built a responsive company website with a modern UX — [www.ascendo-2001.ro](http://www.ascendo-2001.ro)

### 2025 - Livolo Bucuresti

Redesigned e-commerce store for smart home accessories. [www.livolobucuresti.ro](http://www.livolobucuresti.ro)
